Independent Auditor's Report

To,
The State Project Director
Gujarat Council of School Education
Samagra Shiksha
Gandhinagar, Gujarat

Ref: Statutory Audit of Samagra Shiksha (EE, SE, TE) – Gujarat State FY 2018-19.

Qualified Opinion

We have audited the accompanying Consolidated Financial Statement of "Samagra Shiksha", Gujarat which has been prepared by subsuming Centrally Sponsored Scheme of Secondary Education (hereafter referred as "SE"), Elementary Education (hereafter referred as "EE") and Teachers Education (hereafter referred as "TE") comprising Balance Sheet as on 31st March 2019, Income and Expenditure Account, Receipts and Payments Account and notes forming parts of accounts for the year ended on that date annexed thereto.

In our opinion and to the best of our information and explanations given to us, except for the matter described in the basis for Qualified Opinion Paragraph, the aforesaid Financial Statement give a true and fair view in conformity with generally accepted accounting principles and guidelines as prescribed by Ministry of Human Resource Development (hereafter referred as "MHRD") followed by the State Project office:

- i) In the case of the Balance Sheet, the State of affairs of the Samagra Shiksha as at 31st March 2019.
- ii) In the case of the Income and Expenditure Account, the excess of Income over expenditure for the year ended on 31st March 2019.
- iii) Receipts and payment Account pertaining to receipts and payments of the project for the year ended on 31st March 2019.

Basis of Qualified Opinion

- i) *In case of EE and SE, during the audit of DPOs (SE) and SMCs (EE) several instances have been observed, where TDS/TCS has not been deducted or has been short deducted then the requirement of the Income Tax Act, 1961. In view of lack of relevant information, we are not in a position to quantify the said liabilities.*

- ii) *Mission is regularly following cash basis of accounting at district level which is against the MHRD guidelines which prescribed mercantile system of accounting. In view of lack of relevant information, we are not in a position to quantify the said impact.*

We have conducted our audit in accordance with Standards on Auditing (hereafter referred it as "SAs") generally accepted in India. Our responsibilities under those Standards require that we plan and perform the audit to obtain reasonable assurances about whether Financial Statements as a whole are free from material misstatement. An audit includes examination on random and test basis with evidence supporting the amounts and disclosure in financial statements. An audit also includes assessing the accounting principles used and significant estimate made by the management as well as evaluating the overall presentation of financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the financial statements.

Responsibility of Management for the Financial Statements

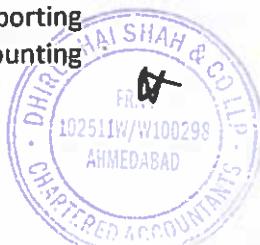

These Financial Statements are the responsibility of the management with respect to the preparation and presentation of Financial Statements that give a true and fair view of financial position, financial performance of the Mission in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Societies Act and as per guidelines prescribed by MHRD for safeguarding the assets of the Mission and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively and continually for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion thereon. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We have conducted our audit in accordance with SAs generally accepted in India. Our responsibilities under those Standards require that we plan and perform the audit to obtain reasonable assurances about whether Financial Statements as a whole are free from material misstatement. An audit includes examination on random and test basis with evidence supporting the amounts and disclosure in financial statements. An audit also includes assessing the accounting

principles used and significant estimate made by the management as well as evaluating the overall presentation of financial statements.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Mission's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Mission has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Mission's Directors, as well as evaluating the overall presentation of the financial statements.

Emphasis of Matter

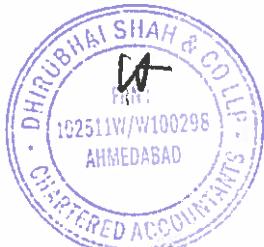

i) *All bank balances, receivables, payables, Deposits and other liabilities of BRC/ CRC/ SMC in case of EE are subject to confirmation.*

ii) *In our opinion and according to the information and explanations given to us, the internal controls are not commensurate with the Size of the Mission and nature of its activities.*

In case of EE, during the audit of sub district unit level i.e. BRC, CRC, SMC level; we have observed that coordinators are making many cash payments. There is a need of strong internal control over such cash payments done especially at SMC Level. In order to have control over payment it is suggested that all payment made by district office and sub-district level above a reasonable limit that organization deems fit should be paid only by account payee cheques.

According to the MHRD Guidelines, SPO, DPO, BRC, CRC, SMC should open single bank account (in nationalized or scheduled bank) for each program; however, during the course of audit we have observed that SPO have opened more than 1 Bank Accounts for each program. For better financial control we suggest that SPO should take necessary action to close down additional bank accounts.

iii) *In order to have proper control on inventory, the SPO should instruct at district and sub district level separate stock register for Capital goods, consumables goods, consumables and non-consumables articles showing full quantitative details of items such as Teachers Learning Materials, Training Modules and Free Text Book and should arrange for their Physical verification at least once in a year. We are of the opinion that proper linkage should be established for recording and distributing of such materials.*

- iv) *The Grant received, Grant Returned (Savings), Undisbursed Grant of Previous years, Bank interest, Tender Fees Received and various other incomes are taken as income and amount expended under various activities of this programme are treated as Expenditure. The amount expended under various activities may include disbursement for construction and/or acquisition of Fixed Assets for the purpose or objects of this Programme, all such expenditure are considered as revenue expenditure.*

- v) *The Mission has disclosed the impact of pending litigations on its financial position in its financial statements. (Refer note no. 3(d)).*

- vi) *In case of EE, One time Grant given by the district to sub-district/ block level is currently being recorded directly as expenditure in books of District. It is suggested that one time grant given should be recorded as an advance and then as per UC received from sub district / block should be booked as expenditure. This will help to represent true and fair view of Financial Statements.*

- vii) *In case of SE, One time Grant given by the SPO to Districts and sub-district/ block level is currently being recorded directly as expenditure in books of SPO. It is suggested that one time grant given should be recorded as an advance and then as per UC received from district / sub district / block should be booked as expenditure. This will help to represent true and fair view of Financial Statements.*

- viii) *In case of TE, One time Grant given by the Head Office to Districts Offices is currently being recorded directly as expenditure in books of Head Office. It is suggested that one time grant given should be recorded as an advance and then as per UC received from district / sub district / block should be booked as expenditure. This will help to represent true and fair view of Financial Statements.*

- ix) *In case of EE, during the audit we have noticed the Project has identified misappropriation of funds amounting to Rs. 2,04,720/- at Kutch District which is under litigation process. The said balance has been shown as Advances receivable in the books of accounts.*

- x) *In case of SE, upto FY 2017-18 the project has maintained separate books of accounts in respect of the schemes – RMSA, Girls Hostel, IEDSS, ICT and Vocational Education. During the FY 2018-19 the said books of accounts has been consolidated by the project. To comply with the principle of consolidation the project has nullified inter-scheme/ intra-project balances and balance effect has been given in "Other Unspent Balances". The said account is subject to reconciliation and rectification, if any.*

- xi) *Attention is invited to item (m) in Notes to Accounts, where previous year figures are not comparable owing to subsuming of EE, SE and TE scheme under Samavay Shiksha.*

Our opinion is not qualified in respect of these matters.

We further Report that:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b) The Balance Sheet, Income and Expenditure account, Receipt and Payment Account dealt with by this report are in agreement with the books of account maintained by the State Project office.
- c) The Cash balance, if any and vouchers were in the custody of the officers on the date of audit. The cash balance, if any, at the year-end on 31st March, 2019 has not been physically verified by us.
- d) The utilisation certificate has been compiled on the basis of receipts and payment account and utilisation certificates duly certified by competent authorities at respective District level / sub District level.
- e) In our opinion requisite books of account have been maintained by the project, as appears from sample checking of the same.
- f) Based on the records made available for our verification and information given to us, we have conducted audit of Procurement Procedure done for Procurement of Goods, Works and Services and have nothing material to report there upon.
- g) The Books of Account of Samagra Shiksha i.e. Elementary Education (EE), Secondary Education (SE) and Teachers Education (TE) have been consolidated at State Project Office, Gandhinagar.
